Sir:

Submitted herewith on Form PTO/SB/08 are documents known to Applicant in order to comply with Applicant's duty of disclosure pursuant to 37 CFR §1.56.

However, the USPTO has waived the requirement under 37 CFR 1.98(a)(2)(i) to submit copies of U.S. patents and U.S. patent application publications when citing and submitting an Information Disclosure Statement in a patent application regardless of the filing date of the application. Accordingly, copies of these types of documents are not being supplied in connection with this application.

The submission of any document herewith, which is not a statutory bar, is not intended as an admission that such document constitutes prior art against the claims of the present application or that such document is considered material to patentability as defined in 37 CFR §1.56(b). Applicants do not waive any rights to take any action which would be appropriate to antedate or otherwise remove as a competent reference any document which is determined to be a *prima facie* art reference against the claims of the present application.

**TIMING OF THE DISCLOSURE**

The instant Information Disclosure Statement is being filed in compliance with 37 C.F.R. § 1.97(c) prior to the mailing date of either a final action or a notice of allowance. Accordingly, pursuant to 37 CFR §1.97(d), a statement or fee is required. The fee of \$180.00 as set forth in §1.17(p) is enclosed.

**RELEVANCE OF EACH DOCUMENT**

All of the documents are in English.

Applicants respectfully request that any listed document be considered by the Examiner and be made of record in the present application and that an initialed copy of Form PTO/SB/08 be returned in accordance with MPEP §609.
